

FLASHPOINT

This versatile mobile management application allows merchants to monitor their store 24/7 with real-time information all on a user's mobile device.

Works on any
mobile device!

SOLUTION

Going somewhere? View your restaurant's performance on your mobile device from anywhere, at anytime.

FlashPoint is a comprehensive mobile application that provides the critical insights you need to manage your business in real-time. You'll have instant access to decision making information such as labor percentages, sales, and more!

FlashPoint will also alert you to large variances and help you monitor excessive behaviors such as comps, voids, overtime, or other areas of concern.

FlashPoint is the Crystal Ball of mobile management applications that gives you the tools you need to run your business more efficiently.

INSIGHTS

Stop waiting for the next excel spreadsheet and researching old news. With FlashPoint, you gain instant productivity insights that help drive sales and reduce overhead costs.

REAL-TIME INFORMATION

Today's numbers become yesterday's news unless you are monitoring them here and now. FlashPoint allows you to manage your restaurants in real-time from anywhere, at anytime.

MOBILE MANAGEMENT

FlashPoint is available on both Android and iOS devices. Get up-to-date information on-the-go!

ALERTS

FlashPoint sets you up for success by alerting you when various transactions and behaviors fall outside the "norm". Stay informed 24/7!

ADVANTAGES

The technology industry is continually evolving and improving but there is one industry that has remained unaltered by advancements... until now. Currently operated by outdated software, costly legacy systems, unsecure vulnerable environments, and disconnected platforms, the hospitality industry is poised for innovation. That innovation is the brainchild of SoftPoint.

Whether you're a restaurant or retailer, your business needs a seamless and centralized offering that arms you with tools that engage consumers and helps you run your business more efficiently. SoftPoint has created a suite of products that encompass all of the business functions needed in today's world within one simple platform so you can operate at the highest levels without being slowed down by outdated technology.
