SOLUTION

Since the beginning of payroll processing and point of sale, business owners have struggled to maintain cohesive data between two historically disparate systems...until now! SoftPoint have developed key integrations that allow you to seamlessly move data from your point of sale to your payroll software and vice versa. Just think about what this means for your business, payroll processes, and labor management.

With PayrollPoint, you can finally take full advantage of the new hire programs your payroll software has to offer and be assured that your point of sale will reflect the exact same information such as job codes, pay rates, and more! Additionally, you can efficiently and accurately track overtime across multiple locations.

PayrollPoint truly helps your business stay compliant!

PAPERLESS
Gone are the days of paper applications and double entry. PayrollPoint allows your business to take full advantage of your payroll's onboarding program and seamlessly integrate specified data with your POS.

PAYROLL IMPORT
With PayrollPoint, a simple approval process moves your payroll data including clock in/out, job codes, tips and locations to your payroll software for efficient and accurate payroll processing. No more hand keying spreadsheets!

COMPLIANCE
Overtime is challenge facing business owners today. With PayrollPoint you can track employee overtime across multiple locations and ensure employees are paid the proper rates based on the actual work performed.

TIME IS MONEY
Your continual investment in technology will improve your bottom line by reducing labor costs and mitigating your exposure to risk. With PayrollPoint, you can focus on running your business and managing your data efficiently.

ADVANTAGES

The technology industry is continually evolving and improving but there is one industry that has remained unaltered by advancements... until now. Currently operated by outdated software, costly legacy systems, unsecure vulnerable environments, and disconnected platforms, the hospitality industry is poised for innovation. That innovation is the brainchild of SoftPoint.

Whether you're a restaurant or retailer, your business needs a seamless and centralized offering that arms you with tools that engage consumers and helps you run your business more efficiently. SoftPoint has created a suite of products that encompass all of the business functions needed in today's world within one simple platform so you can operate at the highest levels without being slowed down by outdated technology.
